Waiver and Indemnity Agreement

I, as the parent or legal guardian of the Child ("Parent/Guardian"), understand and agree that the Child and I will abide by the rules of Box United and its affiliated organizations, partners, and sponsors. I certify that my Child has received a physical examination and has been found physically capable of participating in the program.

Recognizing the inherent risks of physical injury associated with boxing and other activities Box United organizes (the "Programs"), and in consideration of Box United accepting my Child's participation, I assume all risks and hazards incidental to athletic participation. I hereby release, discharge, and agree to indemnify Box United, its officers, directors, coaches, sponsors, volunteers, agents, affiliated organizations, and affiliated sponsors, including the owners of fields and facilities used for the Programs, from any and all claims, liabilities, or damages arising from or related to my child's participation, including transportation to and from activities, which I expressly authorize.

I understand that participation in Box United Programs involves inherent risks of injury despite all reasonable safety precautions taken. As the parent or legal guardian, I voluntarily assume all risks, injury, or illness for my Child(ren) that may occur during participation in activities or use of facilities associated with the Programs. I authorize Box United staff and representatives to use their best judgment in arranging for emergency medical treatment for my child in the event of injury or illness, including transportation by ambulance if necessary. I further authorize medical, dental, or emergency personnel to provide necessary and appropriate treatment. I understand that I will be notified as soon as possible in the event that an emergency arises requiring medical assistance. I certify that my Child(ren) is/are fully covered by medical insurance and that I am fully responsible for all costs incurred due to medical or dental treatment as deemed necessary by Box United staff and operators.

I understand that this permission slip includes my permission for my child to participate in all Box United activities, including boxing practices, health and wellbeing workshops, as well as all special events where transportation is provided by Box United, including but not restricted to: showcases, events and summer camp. I understand that Box United assumes no responsibility for ensuring the Child(ren) reports to the Box United Programs, and I, on my own behalf and on behalf of this minor, waive all claims for any liability arising or actions occurring before or after the minor has reported to Box United Programs. By signing this form, I acknowledge that I am aware of the potential risks of participation in any activities or use of facilities associated with the program, and in no way hold Box United, its respective parent, its subsidiaries or affiliates, or their respective management, agents, employees, directors, officers, sponsoring agencies, volunteers or the facility or its operators, coaches, officials, or advertisers, (Individually and Collectively, the "Released Parties"), liable for any injury that my Child(ren) may sustain. I, FOR MYSELF, MY SPOUSE AND MY CHILD(REN), DO FURTHER RELEASE, ABSOLVE, INDEMNIFY, AND HOLD THE RELEASED PARTIES HARMLESS AGAINST ANY CLAIMS OF INJURY OR DEATH TO MY CHILD(REN) IN CONNECTION WITH ANY AND ALL OF THE BOX UNITED OR AFFILIATED ACTIVITIES AND PROGRAMS.

I acknowledge and accept the risks related to COVID-19, including potential exposure through participation in youth sports and group activities. I understand that enrolling my child in the program may increase the risk of COVID-19 exposure and transmission. I have reviewed applicable public health guidance and affirm that I am making an informed decision regarding my child's participation. I understand that community transmission of COVID-19 within Cook County continues, including transmission by individuals who are infected and contagious, but have no symptoms. Sports, dance, and cardio/aerobic exercise are higher risk for COVID-19 transmission and have been linked to numerous outbreaks. Parents/Guardians may want to discuss potential health risks and their concerns with their pediatrician or other health care provider.
